A photograph of a woman and three children in a garden. The woman is in the center, leaning over a white bowl and picking up some green leafy vegetables. To her left, a young boy is looking down at something in his hands. To her right, a young girl is looking down at her hands. In the background, an older woman with white hair is also looking down. The garden is filled with various plants, including what looks like tomato plants. The entire image has a blue and green color cast. Overlaid on the image is the text 'BELLEZZA SOSTENIBILITÀ E INCLUSIVITÀ?' in large, white, bold, sans-serif capital letters.
